Life Path

Jupiter Transiting Conjunction Ascendant 20/01/1995 -> 26/12/1995

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - LIFE-PATH: Faith in your future
It is important at this stage of your life not to let yourself be limited by previous convictions concerning what is possible and what is not. You should allow yourself to become empowered by a new vision of how you want your future to unfold. The dreams you enunciate now will energise your future and fertilise the ground for it to happen. This means defining your professional hopes and wishes to ensure that they give meaning in the long term.

PERSONAL - LIFE-PATH: Faith in your future
You are emerging from a more introverted and meditative state into a new outgoing period which should see your personal contacts getting a boost. Your confidence and charisma should have an opportunity to blossom now, and you will probably find that you gain a greater appreciation of your place in the scheme of things. A renewed faith in your capacity to shape your future leads to an expansion of your horizons, and an optimistic attitude predisposes you to experience a degree of luck - especially in relationships. For a while, everything seems possible.

Identity

Jupiter Transiting Trine Sun 01/01/1994 -> 22/10/1994

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - IDENTITY: Creating your future
During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

PERSONAL - IDENTITY: Creating your future
During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance. This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

Saturn Transiting Square Sun 01/05/1996 -> 13/10/1996

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - IDENTITY: Long-term strategy
You can use this period to rise to the many professional challenges in your life and create the foundations for lasting growth. This is no easy time; many difficulties arise and you will have to work harder and shoulder more responsibilities. Authority figures make demands on you, seemingly without giving you any recognition. If you try to avoid commitment now, you are likely to be dogged by worries and problems. Your self-confidence may be low, and you may feel that you cannot live up to the

expectations of others. Time will show that you can overcome difficulties and achieve goals. Planning and strategy is of the essence, and it pays to plan months ahead and to tighten up schedules, working to realistic deadlines in a committed manner. By completing your work in stages and dividing large projects into smaller sections, you will find that you can handle enormous responsibility. You will not get something for nothing now, but hard work will be rewarded in the long term, so roll your sleeves up and get down to it.

PERSONAL - IDENTITY: Long-term strategy

At the beginning of this phase you will probably not be feeling so good about yourself. You may feel that you do not get enough - or don't deserve - recognition. There is a strong inner feeling that you must pull yourself together and do something worthwhile, and the sooner you do this, the better you will feel. There is a general feeling of being weighed down by burdens, and there may be a lot of pressure to live up to the expectations of others. It is time to take responsibility for your own life and to define new goals, whilst you can send a strong signal to other people - parents in particular - that you can look after yourself. By rising to the challenges of the time, you can develop a strong inner feeling of self-satisfaction, based on the results that come from hard work and effort. You will be facing central issues concerned with identity and self-sufficiency, and will emerge from this period as a stronger and more self-reliant person.

Emotions

**Jupiter Transiting Square Moon
01/10/1994 -> 01/01/1995**

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - EMOTIONS: Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your

instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

PERSONAL - EMOTIONS: Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence. You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

**Jupiter Transiting Trine Moon
19/06/1994 -> 14/07/1994**

Please read page 3: "Jupiter Transiting Square Moon"

**Saturn Transiting Conjunction Moon
01/01/1994 -> 14/02/1994**

You can expect powerful change in this area, as you learn to integrate the following influence into your life.

PROFESSIONAL - VALUES: Emotional self-sufficiency

Issues of economic and job security become very pressing at this time, and you will feel a strong drive to overcome any weaknesses in this area. You can however expect a lot of difficulties, especially if you indulge immature expectations, or rely too much on others. Childish behaviour gets you nowhere now, and if you do

not have conscious control over your emotional reactions you can expect to be unpopular.

The atmosphere in your working environment may be rather heavy now - perhaps because of an elder woman who is trying to assert her authority. The more mature you are, the better you can handle trying situations. You have to know when to set limits, whilst still living up to your responsibilities. You can develop the self-discipline and patience to work with people in difficulty, if you choose to.

PERSONAL - EMOTIONS: Emotional self-sufficiency
During this challenging emotional period you will become more mature and self-sufficient. But this is not normally a happy time - partly because safety and security is no longer what it was. You have to spend time building more secure foundations for your life, and you cannot expect anyone else to be very supportive during this time. It is up to you to shoulder responsibilities uncomplainingly and with dignity.

Time can drag on now because you have to spend more time attending to everyday details and getting things to function on a practical level. On an inner level you are confronted with the need to change or control unconscious emotions and habits. It is no use allowing your temperament, your jealousy, your distance or your stubbornness to get in the way of a rewarding relationship. The time demands emotional self-improvement, so stop making excuses and start working on yourself.

Pluto Transiting Square Moon

01/01/1994 -> 08/09/1995

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - EMOTIONS: Eliminate attachments
This is a time of extreme emotional pressure which will be strongly felt in the working environment. This will affect females somewhat more than males and on a private level, more than public. It is essential to look at the foundations of things now. There can quite literally be problems with the foundations, floor and structure of the home or workplace. This may manifest as radical rebuilding or renewal processes.

Something may be poisoning relationships amongst working colleagues, so it is important to get hidden issues into the open. This can be connected with the disappearance of colleagues to whom you were attached, or the arrival of new ones with whom you feel insecure. There may be problems with personal popularity on a professional level, and you may have to consider a complete change of loyalties. You can no longer invest your security in colleagues or the working environment as there is an atmosphere of crisis in these areas. Some unpleasant changes may be unavoidable, and this can mean moving to a completely different environment. Parental influences on the career - particularly those of the

mother - are eliminated at this time. You may find job satisfaction in social or psychological work.

PERSONAL - EMOTIONS: Eliminate attachments
This period can be one of the most demanding emotional phases of your life, with the promise of great psychological growth. Whatever age you are, life demands that you grow up. Ask yourself the question: to what and to whom am I too attached? At the end of this period, you will surely have eliminated this attachment...you simply can't afford it. This is a time to get rid of sentimentality and make deep changes in emotional relationships. All forms of dependence disappear, and for a time you will be out of your depth. Emotional, psychological and occult insights are gained at this time.

Radical changes in family life may take priority over career matters now. This is a time when you must re-examine your emotional nature, especially because buried issues from the past come up to the surface now - often after years of forgetfulness. You will learn many lessons on the emotional battlefield as old feelings are brought to life, and this will teach you to trust in, and express, your feelings in a more spontaneous and natural way. As if to reflect the inner emotional restructuring, you can expect upheaval in your home environment. There is an emphasis on sewage problems, the cellar or foundations of the house, and there may be actual digging around the house to solve structural problems. Don't take on more than you can handle, otherwise severe economic problems can result.

Mentality

Jupiter Transiting Trine Mercury

01/01/1994 -> 20/09/1994

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - MENTALITY: Expanding contact
The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at

home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

PERSONAL - MENTALITY: Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

Jupiter Transiting Opposition Mercury

Please read page 5: "Jupiter Transiting Trine Mercury"

Saturn Transiting Square Mercury
08/03/1996 -> 31/12/1996

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - MENTALITY: Mental self-discipline

You are challenged now to get organised and to administrate your time sensibly. There is a particularly emphasis on improving and consolidating your talents. Long-term plans for training courses or intellectual improvement can be put into effect. Writing or communication blockages must be overcome. You can develop the necessary mental discipline now to attain your goals. Expect communication problems, and expect plans or travel arrangements to be delayed. There needs to be far more attention to detail. Attend to the small print when signing contracts.

Learning to economise with your words and messages is an essential lesson for this period. How can you express yourself most effectively in the shortest possible time? If you develop the self-discipline to organise your daily life

so that you can attend to mental challenges, you can expect very satisfactory long-term results. There is a strong emphasis on business matters at this time - but many minor irritations. Take one problem at a time, be patient, and solve challenges with long-term strategies.

PERSONAL - MENTALITY: Mental self-discipline

This is a period in which you have more than the average amount of worries. There are many practical issues to be solved, and there is no other alternative than to get down to each issue and concentrate on one thing at a time. It is important to organise your time more efficiently. Problems particularly arise in the area of communication. This is the time to address these issues and find practical solutions. If you feel unsure of your intellectual abilities or that you lack the necessary training to do what you want, then you should make a commitment to improve now. You need to spend more time talking and listening to your partner - there are issues which need to be solved. Problems can also arise in connection with sibling relationships or neighbours, and if you are patient and diligent you can find long-term solutions. Discipline your daily life and realise creative dreams.

Values

Jupiter Transiting Trine Venus
19/03/1996 -> 31/12/1996

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time. It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for

the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner, there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

Jupiter Transiting Opposition Venus 16/02/1994 -> 29/12/1994

Please read page 6: "Jupiter Transiting Trine Venus"

Saturn Transiting Square Venus 01/01/1994 -> 09/02/1994

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - VALUES: Building self-worth

Economical issues come to the fore now, and you will probably find yourself having to work long and hard, perhaps without getting the financial rewards you would like. It pays to economise and save now, or to make very secure investments. By careful economical planning you can create the foundations for future growth, although short-term success is unlikely. Working on professional relationships may be necessary now, and you could be asked to make a long-term commitment.

It would be to your advantage to pay more attention to subtle influences on your career, such as your appearance and personal style. If you want to open doors which have been closed for you until now, learn for example the finer points of diplomacy and overcome clumsiness or shyness in dealing with people. An understanding and appreciation of taste and style can be the keys to much desired status improvements.

PERSONAL - VALUES: Building self-worth

You can expect many challenges in your personal relationships now. How great is your commitment? Can your affections stand the test of time? No trivial relationship can survive this period, simply because you feel that you do not have the time to waste on romantic attentions that are not genuine. Those people who are in long-term relationships will go through a testing phase - the old clichés and protestations of love will not suffice any more. A recommitment may be necessary and more time should be spent together.

Love and romance do not come easily now - and indeed it is better to be alone developing inner self-worth and reliance, rather than seeking confirmation from love affairs. Assurance of love from others will definitely not be forthcoming now, so it is not worth wasting time on lukewarm relationships - you would be better off by yourself. It is a time for giving, but not for receiving. Contentment comes from an appreciation of quality, not quantity, and from what you have got, rather than what you have not got. This also applies to material things - it is better to do without, rather than long for things which in the last analysis will not truly satisfy you.

Uranus Transiting Trine Venus 01/01/1994 -> 14/12/1995

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - VALUES: New social environment

Sudden changes of values now can inspire you to make changes and adjustments in your career. This is a more social period, so you will not be content with jobs that just involve facts and figures. You need to get out, travel and meet people - preferably unconventional types who can surprise and inspire you. This need to be surrounded by new people may be a problem if you are working in a very formal and stuffy environment, and you might wish to consider job change, to satisfy your need to be socially and aesthetically stimulated.

You would thrive in an international environment now, in which you can make use of language ability and social qualities. You are less likely to be hung up on economy and material things at this time - you discover new values and pleasures through contact with new peoples and cultures. You may discover a capacity for bringing

awareness and a new quality of life to others, particularly as regards principles of freedom and unattachment.

PERSONAL - VALUES: New social environment
Radical changes can arise in your personal relationships at this time. If you are free and unattached you will almost certainly get involved with some untraditional romance. Because there is a strong need for a relationship which gives mutual freedom, and because you long for the unpredictable and exciting in love, you could meet someone from a radically different country, age group or culture, or someone who is an outsider in society. You may choose to live alone and have a weekend partner. It is unlikely that you can cement love affairs started at this time, but the most important consequence is the awakening of your emotions and the stimulation of your erotic awareness.

If you are in a stable partnership, sparks can fly as you try to assert a new-found need for autonomy and independence. If you are feeling bored with you partner and in need of a change, try to avoid being over-impulsive and strive to understand your partner's anxiety. You cannot compromise on your need for a renewal in your relationship and more social involvement, but if you value your relationship you should do more to reassure your partner. If your partner does not want to share your new interests, find a group of people with whom you can be inspired. This is a excellent time for involvement in consciousness-raising groups. It is also a good time for the awakening of the creative and aesthetic impulse. Love affairs at this time lead to a dramatic awakening of the feelings but rarely become settled. There is a tendency to have short intense meetings - often in airports - and then to return to the calm of private domestic life. Separations threaten weak partnerships at this time.

Neptune Transiting Trine Venus

25/01/1994 -> 31/12/1996

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - VALUES: Divine love

During this period you must ask yourself what has value for you. New people come into your life at this time, enhancing the quality of your professional relationships. Through their influence you should be able to discover a new appreciation of your social life, and a greater awareness of the importance of aesthetic factors for enjoyment. It is an excellent period for developing your artistic and creative interests. Indeed it might pay you to put your ambitions on the back-burner for a while, so that you can cultivate your capacity to experience life's pleasures.

Life offers many distractions at this time, and you can be led astray by your desire for magical experience. There is

a great emphasis on matters of the heart, though promises made at this time are not destined to pass the test of time. You can also be seduced by economic sandcastles. Whereas it is good to seek greater quality and integrate more beauty and taste into projects, care has to be taken not to invest in glittering ventures which show surface promise but no long-term stability.

PERSONAL - VALUES: Divine love

During this period you can develop a greater awareness of the needs of the heart to find lasting values which can be relied on to bring happiness and contentment. It is an excellent time for spiritual discovery and devotion. You need to contact people now who allow themselves to be inspired by aesthetic values. These contacts will enrich your life. If you have any creative or artistic interests, set time aside to pursue these interests now.

It is also a time in which love and romance can blossom and take flower. And just as Spring blossoms bring their blessings yet disappear so fast, love at this time is full of promise, yet rarely delivers lasting results. There is a tendency to get attracted to musical, artistic or spiritual people at this time, who express ideas which really appeal to your dreams. During the course of time, however, reality impinges on romance to reveal a scenario of normality and human weakness, which deflates the early romantic idealisation. The point of love in this period is to refine the heart and bring one in touch with the divine. "Better to have loved and lost, than never to have loved at all".

Pluto Transiting Opposition Venus

01/01/1994 -> 07/11/1994

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - VALUES: Redefine personal values

This is a more challenging period professionally for women, than for men. This can strongly affect personal self-worth and esteem, even giving a certain unpopularity. You can no longer rely on personal charm to achieve results. There is considerable pressure on social relationships, and you may find that allies you have counted on disappear, because of basically different views on life. Redefining your self-esteem is dependant on getting rid of false values. It is essential at this time to cut back on material things - especially luxury items. The more you cut back, the better prepared you will be for the future. Do not throw good money after bad, even if this means selling something that is costing you too much. It is better to take a loss.

You will be tempted to loan money at this time partly because of financial difficulties, but also because of changes in taste and personal values. Make sure you do not loan to acquire luxury or prestige items. Make double sure that your investment is good. If possible get by through economising. This is a good time for

psychological dealings with people, and for the transformation of waste products into something of value. Where there's muck, there's brass.

PERSONAL - VALUES: Redefine personal values
This period brings a major reorientation of personal taste and values. This will affect your likes and dislikes in all matters - particularly relationships. This is the testing phase for any relationship that you doubt. Weak relationships based on inequality, power misuse, submission or false kindness cannot, and should not, survive this influence. A strong relationship will benefit from a new psychological insight which develops from a new intensity and self-examination. But even strong relationships can undergo a crisis at this time. This is one of the best periods of your life for getting into contact with your erotic needs. You may well feel a desire to explore forbidden areas of sexuality to deepen your enjoyment of sex, and it is a good time for overcoming prudishness and letting go of inhibitions. Relationships started at this time will be passionate and incredibly demanding emotionally. Some may last, bringing about a transformation in the capacity to express love and sexuality. In others the new lover is forced to give expression to every ounce of love and emotion, and may be squeezed quite dry. There is an obsessive element to love affairs at this time, and the sexual element plays a major role. There is a danger of losing one's heart to a person who does not truly care, and this can lead to a humiliating experience, and a draining sense of personal worthlessness. A relationship built on these premises cannot survive, and the sooner it is over the better. When you emerge from this period, you will have a much deeper awareness of your relationship needs. The names of those you could not trust will soon disappear from your address book.

Drives

Jupiter Transiting Square Mars 02/11/1994 -> 07/10/1995

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DRIVES: Burning enthusiasm
It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve. This is an excellent time for pioneering activities and

expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

PERSONAL - DRIVES: Burning enthusiasm
This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry. Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater consciousness concerning health, and the muscular system, as well as personal sexuality.

Saturn Transiting Opposition Mars 01/01/1994 -> 08/01/1995

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - DRIVES: Developing willpower
This is a time to mobilise reserves of willpower and pursue goals with indefatigable determination. You can expect a lot of resistance now, especially from older men in positions of authority. Effort, long-term strategy and hard work is the remedy for problems that arise at this time. Courageous action leads to the building of lasting edifices

now.

First of all it is necessary to overcome lack of self-confidence. You may feel that there are men of greater experience available to do the jobs you want, but by training and perseverance, you can - in time - achieve the goals you set yourself. If you don't succeed, try and try again. You will become stronger and more efficient. Great satisfaction can be achieved through the power of organisation and self-discipline - if you rise to the challenge, you will achieve success. This is an excellent time for hard physical work - particularly as regards building and construction.

PERSONAL - DRIVES: Developing willpower

This period can be rather a trying time, and there are many obstacles to be overcome. However with hard work and determination, you should be able to have things the way you want them - finally. Men will feel unsure of themselves at this time, and there will especially be a question mark as regards their sexual needs and performance. There may be a reluctance to take the initiative in these matters for fear of being rebuffed, yet it is at precisely this time that a man can get into contact with his body, learn more about his needs and develop the confidence and assertiveness to handle sexual relationships. Circumstances may however dictate less sex during this period.

Women who experience this influence will also be concerned about their body, especially as concerned blockages preventing spontaneous enjoyment of erotic pleasures. It pays to take more time in a relationship to improve sexual contact. More patience is needed in the warming-up phase, and less focus on erogenous zones. Many sexual fears about dominance and authority can be dealt with, and the long-term effect on sexuality can be beneficial. Sometimes an older or more experienced man comes into the life now. Both sexes benefit from more exercise or training through body-building, aerobics and the like.

Pluto Transiting Square Mars 07/12/1994 -> 31/12/1996

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - DRIVES: Redevelop your strength

This is a time of great personal pressure both on a professional and private level. In this testing time there will be a feeling that the odds are against you, perhaps in an unfair way. Power battles are often unavoidable... and it seems as if there is some kind of conspiracy. Trade union issues often come to the fore at this time, for good or ill. Authoritarian and dominating people (mostly male) will seem to put you in a vice. The time demands great perseverance, but you have to know when to draw the line when to fight and when to give up. It is no use continuing an impossible battle. There is a tendency to overwork -

often late at night - because you can be gripped by a fanatical desire to accomplish something. There tends to be a fascination with computers and secret things. Undercover issues surface now - anything you want to keep hidden will surely come up. You will be strongly motivated to act secretly. Any work situation you cannot tolerate will change. Either you will seek new work in which you can feel 100% absorbed, or you will make radical changes in your working environment. There can be interest in social or political work under extreme situations, as well as the discovery of psychological or occult talents. There are good opportunities now to eliminate corruption or pollution problems. This is a ruthless time which requires strength in the face of crisis, the ability to cut through, fire people, to seek a new job, or to give up exhausting power struggles.

PERSONAL - DRIVES: Redevelop your strength

This can be a time of crisis in relationships because a shift in the balance of power occurs. Women with this influence will no longer accept subservience in connection with men. A woman in an inferior position will now fight to establish her own power. This is the time that a new decisiveness comes up to the surface under the greatest psychological pressure. Paradoxically there is a tendency at this time to meet men with unusual power and sexual magnetism, and to encounter one's own powerlessness in the face of strong desires and jealousies. Men who experience this influence will also encounter power struggles and strong desires, and will often find themselves under the influence of emotions they cannot control.

On a sexual level there is fatal attraction towards taboo issues and the urge to live out desires which have been under control for too long. On the positive side this leads to the discovery and release of new sexual potential, though the costs can be high.

There is no astrological influence which gives has a stronger psychological effect. This is because forgotten anger and repressions now rise to the surface to be dealt with by the conscious mind. Therapy is often advisable during the duration of this transit, and it is a great period for enhancing psychological insight. As anxiety on a deep level is dealt with at this time it is a good idea to eliminate fears by developing a stronger body-consciousness, for example through learning the art of self-defence, or through embarking on a gruelling physical fitness programme.

Wisdom

Jupiter Transiting Square Jupiter 01/01/1994 -> 30/09/1994

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - WISDOM: Development of insight
As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural carefulness is a part of your nature however, you can take advantage of opportunities to expand.

PERSONAL - WISDOM: Development of insight
Jupiter takes 12 years to go around the Sun, so it will return to its own position at the ages of 12, 24, 36 etc., and activate itself by major aspect every 2 years. During these phases of your life you can increase your insight and understanding, and plug in to that most essential part of your life which gives you a sense of purpose and meaning. It is at these times that you can rediscover your joy in existence and faith in the future. This in turn will enable you to be fertile and grow. However if you are the type who is over-confident or immodest, then you will learn a lesson at this time. Your hopes and visions for the future should be within the bounds of possibility, and if you do not keep in touch with the ground under your feet, you lose out in the long run.

Uranus Transiting Conjunction Jupiter 31/01/1996 -> 31/12/1996

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - WISDOM: Journey into Space
This is a very dynamic period for the expansion of your horizons. There will often be long-distant travel to exotic

destinations at this time, or increased contact with foreign countries. International contacts can prove valuable to your profession, and should be cultivated. During this explosively expansive period there can be considerable restlessness - you can hardly be satisfied with a desk job now, or any kind of education or training which does not offer an experiential curriculum. Surprising and unpredictable developments can arise - particularly in connection with legal matters; therefore care should be taken as regards contracts or commitments. You can use the energies of this period optimally by integrating new visions of the future into your goals. Enhanced consciousness and interest in unconventional subjects can play a role in your future.

PERSONAL - WISDOM: Journey into Space
This may well be a period of increased social activity and intellectual curiosity. During these months revolutionary new opinions can lead to a radical change in your viewpoint. Contact with foreigners and their cultures can be a catalyst in this process. You may find yourself getting involved with New Age or international groups. This is a great time for inspiration and radical consciousness change, but you may find yourself at cross purposes with people who have traditionally had a strong influence in your life. You have a desire to overthrow intellectual and religious authorities now, and replace restrictive ideologies with ideals about freedom of the individual. You want to define and follow your own path to personal growth at this time, without the heavy hand of any guru or mentor.

Jupiter Transiting Through 10th House 01/01/1994 -> 05/10/1994

PROFESSIONAL - WISDOM: Professional expansion
This can be a fortunate period for you professionally. Set your sights high and expect to achieve your goals within a year or so. You can cash in on your influence now and expect help from above! There may be an expansion of your field of responsibilities and opportunities may arise in connection with abroad. Superiors will be well disposed to you and you can benefit from their advice and experience. By thinking positively and going for optimal results you can create the future you desire.

PERSONAL - WISDOM: Professional expansion
Generally speaking you are more concerned about taking advantages of your professional opportunities now, than worrying about partnership matters. However they may be an expansion in the family now, and you may wish to invest in, or improve, your home. You can learn at this time how important it is to formulate what you want in life in a positive fashion. You gain insight in setting goals for the future and sharing them with your partner.

Jupiter Transiting Through 11th House 06/10/1994 -> 24/12/1994

PROFESSIONAL - WISDOM: Social expansion
Some major professional advancement can arise through co-operation with good friends now - although they may be over-optimistic about what they can achieve. Generally speaking you can also expect financial improvement

because of prior investments in your career. This is a fortunate period. You may find that you achieve greater success through relaxing and expanding your social influence, than through simply working hard. Invest in people.

PERSONAL - WISDOM: Social expansion
You can really expand your understanding of life through contact with friends now. You will meet people who you appreciate for their wisdom and experience in life. Great pleasures come from meetings with intellectually inspiring people or a particular friend who acts as your mentor. You make contacts in the wide world at this time.

Jupiter Transiting Through 12th House 25/12/1994 -> 12/11/1995

PROFESSIONAL - WISDOM: Spiritual depths
You may have more pleasures from withdrawing from the rough and tumble of the business world at this time, and your interests are probably more centred on your private life than on your public life. It is wise to assume a low profile as regards your personal convictions, and to invest more in your inner development than outer expansion. There may be expansion in your dealings with public service institutions.

PERSONAL - WISDOM: Spiritual depths
This is a time of rapid spiritual growth or increased creative activity in which you feel a greater bond to the universe. You will be enriched through isolation, and can experience great pleasure through communion with nature or meditative activity. It is your inner life that matters now, so concentrate on spiritual growth. You may feel drawn to act more compassionately, and your understanding of the human predicament is enhanced.

Jupiter Transiting Through 1st House 13/11/1995 -> 31/12/1996

PROFESSIONAL - WISDOM: Make optimistic plans
You can make the most of a surge of self-awareness and self confidence now by assuming a higher profile. Use the feeling of increased enthusiasm and self-confidence to strike out on a new and dynamic path for the future.

PERSONAL - WISDOM: Make optimistic plans
Increased happiness and confidence in your future gives personal affairs a boost. There is a new energy surplus now which leads to considerable expansion in many areas of your life. Extra charisma enriches personal relationships now.

Challenges

Jupiter Transiting Conjunction Saturn 29/11/1996 -> 31/12/1996

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - SELF-RELIANCE: Expanding the framework
It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

PERSONAL - SELF-RELIANCE: Expanding the framework
At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

Jupiter Transiting Square Saturn 16/05/1994 -> 16/08/1994

Please read page 11: "Jupiter Transiting Conjunction Saturn"

Uranus Transiting Conjunction Saturn 08/02/1994 -> 02/12/1996

You can expect powerful change in this area, as you learn to integrate the following influence into your life.

PROFESSIONAL - SELF-RELIANCE: Renewal of plans
This may well be a period of increased social activity and intellectual curiosity. You should ask yourself questions now concerning the viability of long-term plans and well-established traditions in your career. Should things continue as they have been, or would it be wise to experiment and integrate new techniques? Unpredictable events can arise which force you to make changes. It would be to your advantage to consider the humanitarian aspects of your work, and do something which has positive social consequences. International contacts and modern technology can also benefit you. On a deeper level you may want to take a closer look at professional commitments and change your values, so that you can have more freedom and independence. Freedom, experimentation and flexibility are key words now, as you cannot thrive under the command of others, or with a rigid work schedule.

PERSONAL - SELF-RELIANCE: Renewal of plans
If your life is dominated by rigid patterns and tight schedules, you will be wanting to liberate yourself from their tyranny now. Many of the structures that you have built up in your life serve only to constrict you and prevent further development and growth. Now is the time to open doors and take a few risks with your life. Cut back on commitments, put your Time Manager away and brush away the cobwebs of your mind. It is no use being restricted by the same old arguments about responsibility to others - parents and partner must accept that there is also a personal responsibility to develop greater consciousness. Unpredictable things can happen now, structures break down, carefully laid plans are abandoned you need a dash of excitement.

Neptune Transiting Conjunction Saturn 04/03/1995 -> 31/12/1996

You can expect powerful change in this area, as you learn to integrate the following influence into your life.

PROFESSIONAL - SELF-RELIANCE: Dissolution of structures
Your ambitions in life should be revised at this time, as you can no longer expect the same kind of satisfaction through hard work and the attainment of goals. The goals you are trying to reach will prove elusive - perhaps

meaningless, so perhaps you should take time off to muse on the direction your professional life is leading you. Dealings with authorities, or establishing your own authority can prove especially frustrating now. Institutions get swept away by new trends. For some people this is a period when their professional security is really undermined. Jobs can be lost and personal economy weakened. Things built up over long periods of time can dissolve. Nothing can be done to shore up the sinking ship at this time. A degree of fatalism and acceptance can be necessary for a time. Allow unwanted constructions to be swept away by the passage of time, develop patience, and start to define new goals for your future.

PERSONAL - SELF-RELIANCE: Dissolution of structures
This period may be one of personal hardship, because many of the structures and principles on which you have built your life can dissolve. Whatever represents authority for you needs to be revised, and you have to acquire a new sense of flexibility. People and things which you have grown used to and founded your security upon, can slip away from your grasp. This brings a new opportunity for you to define how you want to shape your life, and to make new choices as regards what to rely on. Any structures or beliefs which have been inflexible will disappear. It is especially important for you to consider long-term material goals and ask yourself if they provide lasting values. When your life is over, it will be the quality of your life, and the actions that you have taken, which will be of value - personal status and material acquisitions will have very little meaning.

Saturn Transiting Through 2nd House 01/01/1994 -> 01/04/1995

PROFESSIONAL - SELF-RELIANCE: Developing resources

At the start of this period you will probably be feeling a great deal of economic pressure. The facts are that you are in a new situation as far as your economy is concerned, there are many weaknesses in the way you work and administrate your resources and you have to spend time and effort to improve the situation, especially as regards budgeting, economising and saving. It is only at the end of this phase that you will begin to see the results of your long-term investments - especially as regards new skills and resources. It is basically a question of tightening your belt, and not expecting too much, too quickly.

PERSONAL - SELF-RELIANCE: Developing resources
Both emotional and economic pressure will undermine your sense of self-worth at this time. Even though this means that at first you will be strongly aware of your weaknesses, and this can be somewhat depressing, you are actually in a phase of your life in which self-improvement efforts will ultimately pay off. At the end of this period you will feel a stronger sense of personal worth, and this in turn will convince you that you have something to offer those closest to you after all. You are simply building new and more solid foundations for your future

now.

Saturn Transiting Through 3rd House 02/04/1995 -> 04/11/1995

PROFESSIONAL - SELF-RELIANCE: Improve communication skills

At the beginning of this period you become strongly aware of any intellectual weaknesses or communication difficulties that you have. You will not be able to avoid challenges in this area, so it is a question of buckling down and disciplining yourself to overcome lack of mental self-confidence. This can for example mean writing the book you have put off, getting the qualification you have so long avoided, or learning to express yourself more clearly. As time goes by you gain more confidence, and you are sure to attain a number of your goals in this area.

PERSONAL - SELF-RELIANCE: Improve communication skills

This is a period when you can improve relationships through improving communication - though at the start of this phase problems and misunderstandings will most certainly arise. This can be connected to your sensitivity as regards your intelligence or spontaneity. Efforts have to be made to gain more confidence in reaching out to others. By developing patience when listening to another, or when explaining matters, you can ensure better understanding. There is plenty of room for improvement in this area. You are challenged to work on neighbourly responsibilities now.

Originality

Jupiter Transiting Square Uranus 30/01/1994 -> 24/12/1994

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - ORIGINALITY: The future now
This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact

with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

PERSONAL - ORIGINALITY: The future now
During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

Jupiter Transiting Trine Uranus 23/02/1995 -> 17/01/1996

Please read page 13: "Jupiter Transiting Square Uranus"

Saturn Transiting Opposition Uranus 01/01/1994 -> 31/01/1994

This extremely strong influence can bring change, dilemmas or separation. The likelihood of travel in connection with these issues is strong.

PROFESSIONAL - ORIGINALITY: Limiting individualism
This influence may not be so obvious in your life, unless you have strong Aquarius characteristics. It is a time when it pays to make constructive use of modern techniques in your career, or perhaps pursue interests connected with exotic cultures or people. Concrete work on untraditional or new age interests is also favoured. You will probably find that you will have to make some compromises with your tendency to be an outsider and to hold society at arm's length. It pays to build a bridge between old traditions and modern trends. Social idealism and commitment is favoured.

PERSONAL - ORIGINALITY: Limiting individualism
During this phase of your life, you will find that you have to take more responsibility for those sides of your nature which are outrageous or provocative. Authority figures will demand more self-discipline and social awareness, and

you will not be permitted to merely indulge your extremist views. However this is a good time to develop your interests in original and untraditional subjects, new age matters, and global awareness, especially if you have constructive plans in these fields. This may be a time when you will want to make a more formal commitment to an unusual group.

Pluto Transiting Square Uranus 28/05/1994 -> 08/10/1994

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - ORIGINALITY: Eliminate extremes
This is normally a minor influence, but it may involve a shock or unexpected event. This can effect technological systems, computers and transport and may involve long-term renewal of technology. However the whole question of growth and progress becomes a major issue - perhaps because you realise how brutal the forces of survival in the marketplace are. People can seem as pawns in a game played by higher powers. Mechanisation and modernisation can be a very alienating and dehumanising influence, so you may resolve to absorb yourself in social or humanitarian interests in protest.

PERSONAL - ORIGINALITY: Eliminate extremes
On a personal level this is a time to eliminate extreme manifestations of independence which alienate others. Changes on a collective level which are beyond your control can lead to some kind of radical renewal in your personal environment. Groups or associations can play an important role in your life now, and you may be confronted with power struggles on the subject of group integrity. You may in particular be confronted by the darker side of power-hungry people in social organisations to the extent that you wish to withdraw. If you are interested in personal development, radical changes of consciousness can arise as energy channels are opened in your body. This influence is more powerful if you have an Aquarius Ascendant.

Transcendence

Jupiter Transiting Conjunction Neptune 01/01/1994 -> 17/10/1994

You can expect powerful change in this area, as you learn to integrate the following influence into your life.

PROFESSIONAL - TRANSCENDENCE: Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

PERSONAL - TRANSCENDENCE: Balloons and bubbles
If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

Saturn Transiting Trine Neptune 12/02/1994 -> 10/03/1995

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - TRANSCENDENCE: Making dreams concrete

This influence may not be felt very strongly, unless you have a strong Pisces influence in your horoscope. It can be difficult to make concrete plans now, things tend to flow in an uncontrollable way, goals slip through your fingers. Instead of making strategies and long-term goals it would be an advantage to do something constructive with your

creative talents. Your greatest asset at this time is your imagination, so try to think of practical applications for creative ideas. If you act in a determined manner you can realise many of your dreams and visions now. This is an excellent time for helping people who are losers in society.

PERSONAL - TRANSCENDENCE: Making dreams concrete

This is a time when you will probably feel rather alone and isolated. Money may be short, and security even shorter. You are forced to develop your inner resources now, because outer structures in your life tend to dissolve. This is a good period for developing spiritual discipline, or making long-term plans for creative development and growth. But otherwise there is a tendency to be down-and-out, or on the fringe of society. Nevertheless you may feel moved to take more responsibility for those who suffer now, or to make some sacrifice for others. Avoid negative frames of mind, or tendencies towards alcohol or pill misuse.

Transformation

Jupiter Transiting Square Pluto 22/11/1994 -> 31/10/1995

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Power play
During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

PERSONAL - TRANSFORMATION: Power play
There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

Jupiter Transiting Trine Pluto 17/12/1995 -> 18/11/1996

Please read page 15: "Jupiter Transiting Square Pluto"

Saturn Transiting Opposition Pluto 21/01/1994 -> 17/02/1995

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - TRANSFORMATION: Bonds on power
This influence may not be felt very strongly, unless you have strong Scorpio traits. This is a period when you are confronted with power manifestations in society, and it can be necessary for you to summon up reserves of strength and determination to handle situations which seem beyond your control. Take care in your dealings with police, tax authorities or underworld characters, as you are liable to meet people and groups who are in a position to humiliate you. In professional matters you have to take a closer look at what goes on under the surface. Eliminate any corrupt elements, and look more closely at your motivation when asserting your power.

PERSONAL - TRANSFORMATION: Bonds on power
Though sometimes rather subtle, this influence can release powerful elements in your unconscious mind. If you are a victim of emotional states such as jealousy and paranoia, now is the time to make an effort to deal with them. Deep-rooted psychological complexes which manifest as obsessive behaviour will surface now and the more you try to repress them, the greater power they will have over you. A sure danger sign is if you start accusing other people of evil behaviour, or if you feel that you are being shadowed or persecuted. Inner demons manifest in outer events now, yet solutions are to be found within your own being. You can contact archetypal forces now, for example through shamanism.

Pluto Transiting Square Pluto 16/02/1996 -> 31/12/1996

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - TRANSFORMATION: Evolutionary

change

This influence - which arises in the late thirties - confronts you with the need to reorganise in connection with the evolution of whatever you are concerned with professionally. You have to examine in what areas you use or misuse power, and to what extent you feel dominated by forces beyond your control. In the power struggle that follows you have to harness all your survival urges. You will learn that the need to prevail in life sometimes necessitates actions which have dubious morality - but you cannot afford to be sentimental.

PERSONAL - TRANSFORMATION: Evolutionary change
During this period deep unconscious processes rise to the surface to be dealt with by your conscious mind. It is an excellent time for getting to the root of personal problems which have haunted you for the last 35 years. Deep psychological issues which have been banished from memory now resurface, and you should have the capacity and strength to restructure these forces so that they no longer control you on a subconscious level.

Destiny

Jupiter Transiting Square N. Node, Jupiter Transiting Square S. Node 24/10/1994 -> 25/09/1995

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - DESTINY: Understanding karma
You can expect an expanded circle of contacts at this time, with a special emphasis on people who are seeking influence on a large scale in society. Opinion-makers, advisers and foreigners can bring a new perspective in connection with future planning. You may feel that your destiny is interwoven with some larger plan.
